Peters Sisters
The Peters Sisters were an American vocal trio who performed between the 1930s and 1960s, mainly in Europe, and appeared in films. They were Mattie Jane Peters, Anna Louise Peters, and Virginia Peters. After the trio stopped performing in about 1963, Virginia continued as a solo singer and entertainer in France, Virginia Vee. Reliably irreverent Mr. Teoli, whose pages are occasionally naughty; the one with delightful Kitten Natividad doing her thing, for instance, could have just stopped before the hardcore, Dan. Lately he's been providing choice memes from social media. Relatively unbiased collections, though lean more right than left.

==========**BBC Radio Drama**

https://archive.org/details/TalesMausoleumClub
Satires of Brit lit, starring a lot of A-listers
including Terence Stamp, Timothy Spall, Andrew Sachs, Alison Steadman, Joss Ackland, Jim Broadbent, and Miranda Richardson.

https://archive.org/details/TheFutureBBCr4
Written by Naomi Alderman
Abridged by Katrin Williams
Read by Ell Potter
Producer Justine Willett
First broadcast on BBC Radio 4 in December 2023
The Future is a white-knuckle tour de force and dazzling exploration of the world we have made and where we are going.

Set in the very near future, a future we could be heading to fast, this is the story of secret bunkers, private weather and fearsome weaponry. It’s also the story of an audacious heist in which the future of the world is at stake.

https://archive.org/details/Earthsearch123BBCr4
Earthsearch was a science fiction radio series written by James Follett. It consisted of ten half-hour episodes and was first broadcast on BBC Radio 4 in January 1981.

https://archive.org/details/Forest404BBCr4
Meet Pan. She lives a few centuries from now, in a future beyond a data crash that wiped out most records of life from before the 23rd century: the Cataclysm. Her job is to sort through the old sound recordings that survived from before the crash - from the Slow Times. When winters were still cold. When the USA still had people in it. But when she finds an old recording of a rainforest, she has no idea what it is. Because forests no longer exist.

https://archive.org/details/AtomicTalesBBCr4
Atomic Tales
A series of 1950s American sci-fi spoofs

https://archive.org/details/lonpartBBCr4
As Alice soon discovers, London is not one but many cities, a city of curious anomalies and dark secrets, of hidden portals to other dimensions, a city so vast and varied that the weird and the uncanny blend seamlessly with the ordinary, where the person sitting next to you on the bus, or walking beside you on the pavement, may in fact be a visitor from another time.

https://archive.org/details/LondonParticularsBBCr4
A BBC Radio series about two old-school detectives who solve crimes in Victorian London.
Publication date 1999-06-11
Pip Shepherd - Todd Carty
Thomas Tedman - Charles Simpson
Dolly Jenks - Maggie McCarthy

https://archive.org/details/aconfidentialagent
Eight cosy detective dramas about Cockney secretary-turned-super-sleuth Liz Parker. 1986

https://archive.org/details/PIBRbbcr4
David Morrissey stars as Billy Rucker in two gritty urban-noir BBC Radio thrillers.

https://archive.org/details/DownPaymentonDeathBBCr4
5/76

https://archive.org/details/crimewavesbbcr4
A six-part radio drama about a group of Manchester teens fighting for justice.

https://archive.org/details/runmanrunbbcr4
Dramatisation of Chester Himes' crime thriller, first published in 1966.
Detective Matt Walker .... Bill Nighy
Luke .... Steve Toussaint
Lieutenant Baker .... John Guerassio

Artie Bernstein
https://archive.org/search?query=creator%3A%22Artie+Bernstein%22
Arthur Bernstein was an American jazz double bassist. Born in Brooklyn, New York, he started his musical career playing cello on board cruise ships to South America, and also studied law at New York University. However, by 1929 he had started playing bass, and began performing in clubs around New York City. He performed with trumpeter Red Nichols, Red Norvo, Kay Thompson, Lou Bring, Ziggy Elman, The Boswell Sisters, and others, and recorded with Ben Pollack,...From Wikipedia
